<p>ACOH CPSE Issue 1: Incorrect payment is being made based on the multiple specialties of paraprofessionals.</p>	<p>02/06/23</p>	<p>84-Ohio Department of Mental Health (Community Mental Health) Provider , 95-ODADAS Certified/Licensed (SUD) Treatment Program</p>	<p>Fix completed on 5/8/2023.</p>	<p>Previously reported: Impacted claims were adjusted between 2/13/23 and 3/10/2023. Manual workaround started 2/6/23, claims are being manually adjudicated prior to release. 60 days are required to fully implement and test the changes being made to claims system to ensure they are working as intended. Automation will be completed on 5/8/2023.</p> <p>5/15/23 Update: Automation was completed on 5/8/23 however, claim fallout from the manual process was identified due to volume of claims received. Both overpayments and denials were identified so TAT reflects additional time for provider notification. We estimate adjustments will be completed between 5/15/2023 and 8/15/2023 given impacted claim volume.</p> <p>7/15/2023 Update: Correct reprocessing of the claims is impacted by resolution of CPSE 47. The reprocessing involves both payments and recoveries with a letter period. Due to volume and above factors estimated to be completed by 10/1/2023.</p>	<p>In Process</p>
