

## Introduction to the American Society for Addiction Medicine (ASAM) Criteria Fourth Edition

FREE training offered by AmeriHealth Caritas Ohio

Virtual workshop presented by

**Kristi L. Enochs, MSW, LCSW**

Senior Clinical Training Specialist, AmeriHealth Caritas Family of Companies

Training offered via Zoom on Thursday, April 10, 1:00 – 4:15 p.m.

**Description:** *The ASAM Criteria Fourth Edition* uses a holistic, person-centered approach to determining the appropriate level of care and developing individualized treatment plans for clients with substance use disorders (SUDs) and co-occurring conditions. This training will introduce core components of the ASAM Criteria, along with Fourth Edition updates to level of care assessment, decision rules, and continuum of care. Didactic material and case scenarios will be used to illustrate ASAM's six dimensions and how multidimensional assessments are used to develop appropriate level of care recommendations and person-centered treatment plans that consider each client's unique biomedical, psychological, and sociocultural context.

### Objectives:

- (1) Describe core components of ASAM Criteria, including (a) level of care assessment, (b) decision rules, and (c) continuum of care.
- (2) Introduce 4<sup>th</sup> Edition updates, including new terminology, levels of care, and guiding principles.
- (3) Examine how ASAM dimensions and risk ratings can be used to inform level of care recommendations and person-centered treatment planning.
