OhioHealth Wellness on Wheels

Since 1993, the OhioHealth Wellness on Wheels Mobile Unit has been providing prenatal care to the community, regardless of ability to pay.

Highlights include:

- + More than 30 years of community service
- + Best practice model
- + More than 4,000 babies born
- + Excellent birth outcomes with low infant mortality rate and low prenatal intensive care admissions
- + Multidisciplinary team of board-certified doctors, nurses and social workers
- + Four clinic locations in Southeast Ohio; seven serving Central Ohio
- + Educational seminars offered

The OhioHealth Wellness on Wheels Mobile Unit was created to improve access to care for women in our community and reduce infant mortality rates.

The mobile unit provides:

- + Team of professionals working one-on-one with our clients to provide the highest quality of prenatal care.
- + Prenatal Services, regardless of ability to pay, including ultrasound, lab work, and pre-scheduled appointments.
- + Confidential social services counseling, resources and referrals.
- + Interpreter services.
- + Health insurance and prescription assistance.
- + Transportation assistance.

Delivering the highest quality patient care with respect and compassion.
