Do you have expertise to share with Ohio's behavioral health community?

AmeriHealth Caritas Ohio is currently recruiting presenters for our 2027 Behavioral Health CEU Program. We are looking for engaging speakers who can deliver practical, evidence-based content relevant to today's behavioral health landscape. Topics may include clinical best practices, emerging trends, provider challenges, innovative care models, and more.

Presenters selected for the program can receive compensation for their presentation.

Interested individuals should submit a topic proposal and credentials to **Stephanie Cortez** at SCortez1@amerihealthcaritas.com by **October 23**.

We look forward to hearing your ideas.
