

Suicide Prevention and Intervention

FREE training offered by AmeriHealth Caritas Ohio

Virtual workshop presented by

Daniel Bennett, B.A.

Director of Statewide Prevention and Expansion

Ohio Suicide Prevention Foundation

**Training offered via Zoom:
Wednesday, June 17, 1-2 p.m.**

Description: This session will address language used, warning signs to look out for, and risk and protective factors that impact suicide. Additionally, the session will explore options for intervention with youth and young adults at heightened risk of suicide. Finally, the session will explore the concept of postvention and how postvention can reduce risk for further suicide loss.

Objectives:

- (1) Participants will be able to recognize warning signs of suicide.
- (2) Participants will be able to identify interventions appropriate for youth suicide prevention.
- (3) Participants will understand the connection between postvention and reducing future suicide risk.

1 CEUs pre-approved for

Ohio Counselors, Social Workers, & MFTs*

(CSWMFT Provider #: RCS092303 & RTX032403)

Licenseses from other disciplines are encouraged to contact their state licensing board to request continuing education credit for this training event.

*Participants must stay for the entire training and complete an online program evaluation survey at the end of the webinar to receive continuing education credit. Please note that partial credit will not be awarded for this event.

Accommodations: We strive to host inclusive, accessible events that enable all individuals to engage fully. If you require accommodation(s) such as live captioning or interpretation to participate in this event, please contact us at BH-Training@amerihealthcaritasoh.com.
