Educating Healers Consultation and Wellness LLC

Training offered virtually via Zoom

Thursday, September 25

8:30 a.m. to 11:45 a.m.

Description: This course will provide the Ethics and Rules from Ohio Law regarding the direction of Suicide Prevention, Intervention, and Postvention Care. It will also introduce and discuss the Ethics of Trauma Sensitive Care for Suicide and Crisis Focused Care. Cultural considerations for marginalized populations will be addressed. We will provide opportunities for case conceptualization and treatment planning. Local resources will be provided.

Objectives:

- (1) Evaluate the Ohio Ethical Code regarding direct client care for suicide focused care and crisis care.
- (2) Identify the ethics of using trauma sensitive care during suicide interventions.
- (3) Integrate ethical requirements with cultural considerations for marginalized populations at higher risk for suicide.
